

SHIPPING LABEL

Affix this OUTSIDE the box

Instructions:

1. Print your shipping label & packing slip. Cut along the guideline.
2. Place the packing slip and the items you're returning inside the box they came in (or another sturdy box). If you're reusing a box, be sure to mark out any older addresses and barcodes on the outside. Tape it up and clearly affix the shipping label to the outside top of the box.
3. Now just ship your return.
